DARGACZ-O'DONOVAN WEDDING PRETTY EVENT.

A pretty social event on Wednesday afternoon was the marriage of Miss Genevieve Thellah O'Donovan and Mr. Joseph Frank Dargacz, which was quietly solemnized at St. Michael's church, at the hour of five with Rev. Father Fullerton performing the impressive double ring ceremony, before a group of interested relatives and friends.

The bride's brother, Mr. John Mallory O'Donovan gave his sister in marriage, and Miss Adrene Sanchez, niece of the bride, brides' maid and Mr. Frank DeLandier, best man, were the only attendants of the bride and groom.

Miss Sanchez was beautifully gowned in a pale pink organdie with pink satin under slip. Her dainty frock made in the long pannal style was prettily trimmed with rows of hemstitching and picotting. She wore a becoming picture hat of pink lace with a large bow of maline on the side back, white kid slippers and lace hose. Her bouquet was of beautiful pink asters and ferns, caught with a bow of pink tulle.

The bride was never more beautiful, in a wedding gown of white organdie with under dress of white satin, hemstitching and lovely lace madallons on the skirt, waist and sleeves, trimmed this dainty gown. She wore a white picture hat made of organdie, horse hair and beautiful white roses around the crown, white kid slippers and lace hose completed her becoming costume. A shower bouquet of bridal roses and lilies of the valley, prettily arranged with white satin ribbons and orange blossoms were carried by the bride.

Immediately after the ceremony the happy couple and members of the bridal party, relatives and a few friends, gathered at the home of the bride's sister and brother-in-law, Mr. and Mrs. J. C. Nicholson, West Intendencia street, and delightfully enjoyed an informal reception. The home was prettily decorated for the occasion, cut flowers and potted ferns being attractively used throughout. During these pleasant hours, Misses Sallie Sanchez and Lena Noble served delicious fruit punch after which an ice course was enjoyed.

Just after the bride cut the beautiful wedding cake, which centered the dining table, she attired in a becoming traveling suit of Harding blue, with trimmings of steel beads, and steel gray hat, blouse, hose and slippers to match.

Mr. and Mrs. Dargacz left on the evening train for Culver, Ind., and Chicago, Ill., where at the latter they will be at home with the groom's relatives.

Mr. Dargacz, after three years in the U. S. Navy, at the Pensacola Naval Air Station, will be connected with a prominent garage in Chicago, where his host of friends will welcome him and his bride's arrival.

Each night the girls sat on the long wharf and sang while Thelma Arnold played the ukulele.

Mother-To-Be, Read This—

Here is a wonderful message to all expectant mothers. From this moment on, cast from your mind all dread and fear, and feel every day as the months roll by that great freedom from much of the suffering which thousands of expectant mothers undergo, unnecessarily. And when the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says:

"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

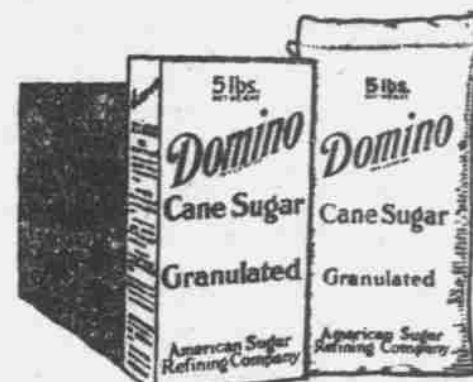

"Mother's Friend" is applied externally to the abdomen, back and hips. It aids the muscles and tissues to expand easily. It penetrates quickly. It contains no narcotics or harmful drugs. It is safe. There is no substitute. Avoid needless greases sometimes recommended by the unknown. "Mother's Friend" is sold by druggists everywhere.

NOTE—Write for valuable free illustrated book, "Motherhood and the Baby," containing important information. Send your name and address to the nearest drug store or to the nearest branch of the "Mother's Friend" Co., 250 Broadway, New York, N. Y.

FLIES are dangerous. You don't want them crawling all over the sugar your children eat. But you know that exposed sugar does attract flies.

Protect the health of your family by buying sugar that is never exposed—Domino Cane Sugars in packages. This clean, cane sugar is protected in your home just as it was in your grocer's store, by sturdy cartons and strong cotton bags.
